## GETTING INTO THE SPECIFICS

# Bill Jensen, A/V Needs, etc.

But in reality, he’s pretty easy-going, with few needs. Among them:

## A/V

---

- AUDIO**                      **Wireless lavalier.** Definitely, no podium!  
Bill roams the room and connects with everyone
- PRESENTATION**        Bill submits slides ahead of time, and brings them on laptop and thumbdrive.  
Please provide **LCD Projector.**
- HANDOUTS**                Because his presentations are often content-driven, Bill will usually ask that you

## BILL TAILORS PRESENTATIONS TO MEET YOUR NEEDS

---

One of the ways to make work simpler and easier is to tailor one’s content, vocabulary, and concepts to the needs of the audience.

Bill practices this simplicity gospel.

So every engagement includes pre-work phone call(s) with the event planners.

This is one of the ways Bill ensures he connects with each audience member.

# Bill Jensen, Kudos!

“

Bill's presentation was perfect! He tailored it to our audience's needs, really having the Swedish Post in mind. Our seminar is one of the most prestigious held in Scandinavia. His stories and tools made it one of our most engaging presentations yet. It was also a joy to work with Bill behind the scenes, in preparation for the event.

**Charlotte Grimlund • Step2 Events and Meetings** Stockholm, Sweden

Bill's session was the BEST WE'VE EVER HAD! Simple, clear, actionable content. Fabulous! Smooth, knowledgeable, fun. Bill is a treasure!

**Patricia Lin • P&G**

Bill energized the 800 Oracle University attendees at our annual meeting. His "on the mark" comments reinforced our strategy of just-in-time education and its relevance to a simpler work environment. He was humorous, while instilling in the crowd a sense of urgency. People from that session are still quoting him!

**Dennis Bonilla • Director, Oracle University**

I've been through some great educational programs offered at my prior employer, General Electric, including sponsored courses at Harvard Business School, but this was by far the most intensive one day, high impact, thought-provoking session I've been engaged by in my career.

**Brian A. Lutes • SVP, Fifth Third Bank**

Bill drew a record crowd to our Forum in Melbourne, Australia. Within 90 minutes Bill got all attendees participating and engaged. His ability to make the issues relevant to each individual situation was brilliant. Great message, great presentation, great motivation...the best attendee feedback we've ever had!
